Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicants wished to discuss concerns over issue "B" from Applicant's response dated 09/19/03. Applicant included subtopics B (I-III) and believes that Examiner failed to fully address the instant arguments. Examiner believes that the arguments were addressed in that the Examiner's discussion was summarized in the Detailed Action on 12/16/03. Examiner recommended that Applicant submit a request for reconsideration if Applicant feels the arguments were not properly addressed.
